

Bunn Sure Immersion® 312

Bunn Sure Immersion® 312

Grind, Air Infusion, Extraction®; A path to great coffee. The Sure Immersion 312 grinds and brews fresh coffee one cup at a time, and offers two powder options. The attention to detail during the infusion process is what sets Sure Immersion apart from other Bean-to-Cup systems. Sure Immersion delivers great taste and quality while remaining consistent throughout the day. The Best Result in the Cup™ is right at your fingertips.

FEATURES:

- Bean-to-cup: brewed with freshly ground coffee beans
- Very easy to operate thanks to intuitive touchscreen
- Customizable recipes to match roaster's specifications like consistency of grind, coffee to water ratio, and the cup size
- Two 3lb and one 2lb capacity bean hoppers
- Two internal 5lb powder hoppers
- 17" Touchscreen
- 5.75" to 8.25" cup clearance
- Smart counters — warn you when the waste bin is full and show you the daily/cumulative use
- Touchless option available

DIMENSIONS:

Brewer: 20.1"W, 40.3"H, 23.8"D

SPECIFICATIONS:

- Electrical: 120V, 60Hz.
