

The Virtu 90 Series

The Virtu 90 Series

Bring the café and barista right to your office with the Virtu 90. The Virtu grinds whole bean coffee fresh for every cup, and makes it easy to choose a wide variety of drinks from traditional coffee and espresso to cappuccinos, mochas, lattes and more.

Mess free and simple to maintain, the Virtu features two whole bean hoppers and offers a variable strength setting for easy customization. The full-color touch screen can be personalized with company images, logos and messages.
