

FLAVIA® Creation® 600

With the FLAVIA® Creation 600®, you can craft café-style beverages with a few taps of the screen. Featuring an unmatched selection of hot and cold drink choices, and the ability to froth fresh dairy or non-dairy milk right in your cup, the FLAVIA® Creation 600® has options for everyone. The FLAVIA® Creation 600® is online connected and comes equipped with FLAVIA® IQ, a powerful communication and engagement tool that can track consumption trends, send service and restock alerts, and more. You can also order all of your favorite drinks without touching the screen by using the FLAVIA® Tap N' Brew app.

Shown with FLAVIA® Chill Module

FEATURES:

- 7" high-resolution touch screen with interactive content
- Brews a delicious range of drinks, each in less than a minute
- Patented in-cup frothing with your own fresh milk and non-dairy alternatives
- Portable and flexible, with pour-over and plumbed-in options for easy office placement
- Pure taste guarantee - designed for no taste or allergen transfer between drinks
- Optional Chill Module for cold brew coffee, iced coffee, iced tea, and infused water.
- Track consumption trends and usage, create and upload custom engagement content on the brewer screen, and enable "touchless" mode and more with FLAVIA IQ
- Downloadable Tap N' Brew app mirrors your brew screen to order drinks right from your phone
- Designed to require only minimal cleaning
