

Nespresso Aguila 220

The Aguila 220 is a compact commercial *Nespresso* machine that is high in performance with an unmatched choice of one-touch recipes.

With two extraction heads, this professional machine offers consistent quality cup after cup, even with high volume demands. Just like your own barista, pre-set milk recipes enhanced by state-of-the-art technology deliver unmatched in-cup quality.

FEATURES:

- Offers coffee, milk, preset recipes and hot water
- Buttons can be programmed to dispense desired volume
- Aguila+ button can be programmed to make 1 of 12 preset recipes
- 2 brew heads work simultaneously and independently
- Easy manual capsule insertion and ejection
- Includes refrigerated, dishwasher-safe milk container
- Milk temperature sensor and alarm for precise monitoring
- 2 spacious cup storage areas, 1 of which is heated
- Multiple automatic energy-saving modes
- One-touch semi-automatic cleaning and rinsing
- Alerts when water filter needs changing and machine needs descaling
- Indicates when capsule container is full
- Digital display with preprogrammed choice of languages
